

CFT1防爆投光灯 EXPLOSION-PROOF SPOT LIGHT

适用范围 The scope of application

适用于温度组别T1-T4爆炸性气体场所1区、2区的环境中使用，也适用于船舶、石油平台等室外远距离照明。
Fit for the explosive gas place zone 1, zone 2 with the temperature group T1-T4, also suitable for remote illumination.

产品认证 Product certification

- 经国家级照明灯具防爆安全监督站检验
- 经中国船级社“CCS”形式认可
- Passed the examination of National Explosion-proof Safety Supervisal and Inspection Station for Luminaire.
- Approved by CCS (China Classification Society).

采用标准 Adoptstandard

符合国际GB12045《船用防爆灯技术条件》。
Good quality aluminium shell, copper material net shield, toughened glass.

产品特点 Product characteris

优质铝壳体，铜网罩，钢化玻璃。
Conform to National standard GB12045<The technical condition of Marine explosion-proof light>.
